 Profile 2017-2018

### COMMUNITY

Our school district of just approximately 1200 students is located in Chemung County. Our community is nestled in the Chemung Valley close to Corning, Elmira, and Horseheads, New York.

### SCHOOL

Thomas A. Edison is a comprehensive public high school of approximately 295 students enrolled in grades 9-12. The principal serves as the chief administrator of the school and oversees the operation of the school and instructional program. The staff consists of one principal, 27 certified teachers, 1 full-time dean of students, and 1 full-time school counselor. We have Regents accreditation by the New York State Department of Education.

### GRADUATES

The class of 2017 graduated 74 students. 26.5% are attending 4 year colleges and 73% are attending 2 year programs. The remaining 10 graduates are in the military or have entered the world of employment.

### DIPLOMA REQUIREMENTS

Students must meet the New York state requirements for graduation, which include specific course work as well as sitting for the New York State Regents exams. We award Regents and Regents with Advanced Designation diplomas, which are based on receiving 22 credits and taking the core course requirements. Students in grades 9-12 are required to take certain subjects and may elect to take other subjects.

Advanced Designation		Regents Diploma	
<i>Content Area</i>	<i>Credits</i>	<i>Content Area</i>	<i>Credits</i>
English	4	English	4
Social Studies	4	Social Studies	4
Math	3	Math	3*
Science	3	Science	3*

### **Honors Level Courses:**

**English** – ACE English I and II (college level)

**Science** - Advanced Biology- ACE I and II (college level)

**Math** – AP Calculus and AP Statistics

**Business** – ACE Accounting, ACE Professionalism and ACE Accounting (college level)

**New Visions Programs:** selective programs that include ACE English as part of the program

### **GRADING POLICY**

Courses are graded numerically on a scale of 0-100; the minimum passing grade is 65. Based on academic performance honor designation is awarded as follows:

Honors with Excellence - Average between 94.5% and 100% inclusive

High Honor Roll - Average between 89.5 % and 94.4% inclusive

Honor Roll - Average between 85% and 89.4% inclusive

A student with a failing grade or incomplete in any subject is not eligible for consideration for any Honor Roll.

There are 2 types of “Honor Graduate” statuses that may be achieved. There is NYS designation and Edison High School designation. Below is a summary of both.

\*To receive HONOR GRADUATE status at Edison High School, students must have a cumulative average of 90 or higher and must not have failed any courses during their high school career. This is an award at graduation.

\*\*To receive HONOR GRADUATE status per NYS, students must receive a score of 90 or above on all completed Regents Exams. This is designated on their diploma and transcript.

\*\*\*Students who entered Edison as Freshman prior to the 2011-12 school year are required to have a cumulative average of 85 or higher and must not have failed any courses during their high school career to attain Edison Honor Graduate status.

Full year course averages are computed by the average of six marking periods, and a final exam/regents. Semester course final averages are computed by the average of the three marking period grades and the final exam grade.

### **RANKING**

Grade point average and rank are computed after eighteen marking periods (3 years) in numerical grades based upon a 100 point scale. Final averages in all courses are used in the calculation. Rank in class is based on weighted averages. The final rank is determined midyear of 12<sup>th</sup> grade. Students transferring into Edison High School with less than 3 years of attendance are not ranked. To translate numerical grades the following chart is used:

Numerical Grade	GPA Scale	AP Course 1.2 Credits	ACE Course 1.1 Credits	1 Credit Course	1/2 Credit Course
100	4	4.8	4.4	4	2
99	4	4.8	4.4	4	2
98	4	4.8	4.4	4	2
97	4	4.8	4.4	4	2
96	4	4.8	4.4	4	2
95	4	4.8	4.4	4	2
94	4	4.8	4.4	4	2
93	3.67	4.404	4.037	3.67	1.835
92	3.67	4.404	4.037	3.67	1.835
91	3.67	4.404	4.037	3.67	1.835
90	3.67	4.404	4.037	3.67	1.835
89	3.33	3.996	3.663	3.33	1.665
